Key Note Speaker:

Catherine Dunham, Ed.D

Children's Dental Health Project

Washington, DC

Dr. Dunham leads the CDHP team through the implementation of strategic initiatives, board management and development, project coordination, staff administration and management, resource development, and policy advocacy. Dr. Dunham is also the President and Founder of The Access Project, a research and advocacy organization that has worked to improve access to health care for people without adequate health insurance since 1998. Dr. Dunham received her Masters in Education and her Doctorate in Social Analysis in Education from Clark University, Worcester, Massachusetts. She has faculty appointments at the University of Massachusetts Medical School and Brandeis University.

NH Oral Health Forum

The NH Oral Health Forum provides an opportunity for clinicians, staff and administrators to openly discuss issues, experiences, barriers and successes to integrating oral health into general wellness. Sessions are offered and designed to give participants the opportunity to hear about specific topics of interest, focus on lessons learned, share best practices while networking with each other.

Forum Learning Objectives

- Understand the impact of health care reform on oral and systemic health
- Increased awareness of the importance of partnerships between medicine and dentistry to promote health
- Increased understanding of various approaches to integrating medicine and dentistry

This program offers a total of five(5) CEU and CME credits for the day-long Program

Five(5) CEU and CME credits for the day-long Program

Dental Professionals:

Continuing education credits provided by the NH Dental Society.

The New Hampshire Dental Society is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/goto/cerp.

Medical Professionals

Continuing Education Credits provided by Southern NH Area Health Education Center.

Nurses: The Southern New Hampshire Area Health Education Center is an approved provider of continuing nursing education by the New Hampshire Nurses' Association Commission on Continuing Education (NHNACCE), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This continuing education activity has been approved for 5.0 contact hours. Activity Number: 1003.

Physicians: The Southern New Hampshire Area Health Education Center is accredited by the new Hampshire Medical Society (NHMS) to provide continuing medical education to physicians. The AHEC designates this educational activity for up to 5.0 hour (s) per session in Category 1 credits towards the AMA Physicians' Recognition Award.
