Adjourn

Opportunity for Touring the Ronald McDonald Care Van
Saving People’s Smiles (Dr. Earle Simpson and team)

Upon completion of 2015 Oral Health Care Forum, the participant will be able to:

- Identify opportunities for medical-dental informed clinical practice that supports patient-centered care;
- Name three medical diagnoses or conditions that require oral health assessment for comprehensive treatment;
- Discuss the impact of primary care medicine on prevention and management of child and adult dental disease
- Describe at least one community-based sustainable business model for the delivery of preventive oral health care
- Define three benefits of inter-professional education training and practice
- Name at least one goal for your own program or practice that is anchored in the priorities of the new 2015 NH Oral Health Plan

Continuing Education Credits

North Country Health Consortium/NNH AHEC is an approved provider of continuing nursing education by the Northeast Multistate Division, an accredited Approver by the American Nurses Credentialing Center’s Commission on Accreditation. This activity was approved for 5.5 Nursing Contact Hours. Activity # 335

The North Country Health Consortium/NNH AHEC, accredited by the NH Medical Society, designates this live activity for a maximum of 5.5 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

5.5 Dental CE credits for this program are provided by the New Hampshire Dental Society.

Special thanks for operating and program funding
